

WALTER MACFARLANE MEMORIAL CANOE RACES

These races slated for July 4 were postponed due to the terrific surf running that day. However, though it looked as though they might be postponed again, July 8 dawned with almost a perfect, calm sea and the races were held accordingly. Under the auspices and direction of the Outrigger Canoe Club, with Gay Harris as Chairman, the 12 events ran off like clockwork and members of the Hawaiian Canoe Racing Association present remarked on the efficient handling of the regatta.

Our own girls and boys made a remarkable showing, taking second place, with Waikiki Surf Club winning the regatta. Our crews have had wonderful coaching by George Downing and have caught the spirit of "win or lose—be a good sport." The final score would have been closer if our boys 6 under 17 who were far ahead had not swamped—although they even then came in second after Hui Nalu.

Waikiki Surf's men's senior six crew won the three-mile blue ribbon feature race in the time of 28 min. 53.2 sec. The Outrigger Canoe Club was second and Hui Nalu placed third.

Placing second in point standings was Outrigger with 34 points and third was Hui Nalu with 23. Hale Auau was fourth with 13 points.

JULY 4th REGATTAS

In addition to the Walter "Mac" regatta at Waikiki, which was strictly invitational due to the physical limitations of the course, a regatta was held at Kailua Bay, off the park, with crews from Holomua, Healani, Kai Oni and Lanikai competing. The regatta was won by Kai Oni with 34 points, Holomua and Lanikai tied at 23 and Healani third, with 12. There were ten events on the program.
