

WSC ^{7/5/68} in slim win

Four ticks of the stopwatch and a disallowed protest made all the difference in the Walter J. MacFarlane canoe regatta yesterday.

Waikiki Surf Club edged Outrigger Canoe by four-tenths of a second in the final event, and thus captured the team championship in the 12-race competition off Waikiki Beach.

Earlier, Outrigger won the day's premier event—the senior men's two-mile—then protested the second-place finish of WSC, claiming the Waikiki Surf boat hit a flag on turning. But officials ruled otherwise and the protest was denied.

In winning the windup freshmen men's race, WSC gained five points for a total of 44. OCC received three points for second, ending up with 41. Had Waikiki Surf

been disqualified in the senior men's, it would have lost three points and a first-place tie would have resulted in the team standings.

Approximately 10,000 spectators watched the regatta as it literally went down to the wire before the over-all title was decided.

Going into that last race, Waikiki Surf led OCC in points, 39-38. WSC won the one-miler, in the record time of 8 minutes, 4.6 seconds and OCC was clocked in 8:05.0, also bettering the meet mark of 8:07.7 set by Outrigger last year.

In the featured senior men's race, Outrigger took first with a time of 16:45.6, 1.8 seconds ahead of runner-up WSC.

Two other records were set in addition to WSC's in the finale. Waikiki Surf accounted for one in the senior women's one-mile (9:14.1) and Outrigger made the other in the junior women's half-mile (4:40.4).

WSC's victories were in the boys-13-and-under, novice women, novice men, senior women and freshmen men races; Outrigger won the boys-14-and-under, boys-16-and-under, freshmen women, junior women and senior women along with the senior men's main event.
