## Hui Nalu Wins Macfarlane Regatta

by Connie Maguire

The Walter Macfarlane Memorial Regatta, Outrigger's own regatta, saw the treasured trophy fall to a great team effort by Hui Nalu in the final three races of the 4th of July classic at Waikiki Beach.

Outrigger led by a slim four points at the lunch break, and it looked as if the day would be ours, but Hui Nalu won the final three races to edge us out by a slim margin. It came down to the classic Senior Men's race, and OCC seemed in good shape in lane four and a half-way lead, but Hui Nalu—way out in lane seven put forth all their well-trained teamwork and won by a sizeable margin.

Coach Nat Norfleet's crews were splendid all day, and look forward now to open-ocean racing where we have been undefeated.

A sad note to an otherwise beautiful day was the damage done to Waikiki Surf Club's beautiful **Malia**. The 46-year-old koa canoe lost its bow in a collision with the Koolau crew while both were on the same wave. Although the canoe was temporarily repaired and used in later races, the OCC donated \$300, and Joan Kaaua offered a magnificent Hawaiian quilt to help with repairs.
