I M DAY RACES

The Kamehameha Day races held at Honolulu Harbor were practically a repetition of the Maritime Day races. Waikiki Surf Club won the regatta with 26 points, Outrigger second with 21 points. One more first place by OCC would have won the meet.

Our paddlers again breathed down the necks of WSC in the six man senior Blue Ribbon event, leading more than half way of the three miles and finishing a canoe length behind. Our coaches are to be commended at their fine showing as are all the crews who have tried so hard. The season is still young and the Oahu championships and the Inter-

Island championships are still ahead.

The OCC won two races—the Freshman Six and the Men's Junior Four.

OCC took three seconds—the Men's Senior Four, the Men's Senior Six, and the Women's Senior Six.

Third places were taken in Men's Junior Six and in the Boys 17 and under.

Another first was taken by OCC though this event did not score points—our Boys under 13 won this event which speaks well for our future.

Hui Nalu finished with 12 points for third place and Hui Kalia was fourth with 11 points. Koolaupoko and Healani both tied for last place with one point each.

Next races are to be held at Kailua,

Trophies awarded for Kam Day Outrigger Canoe Races.
