

CANOE SEASON ON US

The 1955 outrigger canoe racing season is just around the corner. The young men, women, boys and girls who wish to build the body and participate in the training and competition this year should report at once to Bill Capp, club captain.

There is no sport that will better condition you and none as thrilling and rewarding. Our last season was not as successful as might be desired from the winning standpoint, but, it was successful in that it offered good sportsmanship, healthy minds and bodies, fine fellowship and club spirit. Vying with the will and effort to win is all anyone can ask for. Our crews did just that and we are proud of them.

The seasons schedule is a long one. Starting on May 22 it ends at Kailua, Kona on August 5. We hope that our paddlers will be there with all the fun, frolic and awards it offers.

The Hawaiian Canoe Racing Association announces the following schedule:

Maritime Day, May 22, Honolulu Harbor.

Armed Forces Day, May 28, Kaneohe Marine Station.
