

LAST CANOE SEASON EVENT

The last event of the season conducted by the Hawaiian Canoe Racing Association was the races held at Kailua, Oahu, over the long weekend September 4-5. The regatta ended with Kai Oni Canoe Club winning its first championship since the club was organized in August 1953. The Club has competed in all regattas since it started and sent crews to Kona. This small club with little finances but loads of energy and spirit is to be congratulated on its dogged spirit and determination.
