

OUTRIGGER CANOE CLUB

JUNE

FORECAST

1956

Our winning Junior 6 Girls showed the results of fine training and co-operation. Stroke: Kehau Kea, Haunani Vannatta, Phyllis Freeborn, Patty O'Keefe, Patti Soule and Cynthia Hemmings, steering.

We are proud of our Junior 4 man crew, who though winning were disqualified because they touched the turning flag. They are Richard Silva, Bobby Daniels, Archie Kaaua and steersman Chuck Schrader.

OCC CREWS PRODUCE

After several years of rather poor performance the OCC is producing young, enthusiastic crews who are making good. Under the coaching of George Downing our young boys, girls, young men and women are really putting out. It has been many years since we have seen such high morale, enthusiasm, cooperation and willingness on the training crews part as shown this year.

George Downing, a champion himself, has assembled and trained a fine group. He believes in building for the future and not rushing youngsters into a class for which they are not trained and properly fitted. He stated that the crews would make a fair showing, early season, but not be spectacular. We think that their showing on Maritime Day, May 27, was spectacular inasmuch as no crews were entered in several races.

Waikiki Surf, 1955 champions, took the regatta with 47 points having crews in every race. Outrigger was second with 22 points, Hui Nalu 19, Healani 13, Holomua 6, Hale Auau 5, Molokai 4.

According to Fred Hemmings, OCC crews manager, the above crews were on the whole made up of youngsters. When school vacation starts many OCC members attending mainland schools and colleges will be available and it is hoped that all races will have OCC entries.

The members of OCC are behind George and Fred and all crew trainees and hope that OCC will come up winners, but no matter what the outcome know that the season will produce strong bodies, clean minds and good sportsmanship.
