OCCer TO OLYMPICS

Our own member John Beaumont, Hawaii Air National Guardsman, will be a member of the U.S. Olympic Pistol Team. He won this honor by competing in the National Pistol matches at Camp Perry, by making a score of 1729 out of a possible 2000 and taking second place.

There were over 1000 contestants in the meet which makes John's feat more remarkable. All members of the OCC are proud of Beaumont's achievement and hope that he will bring back a gold medal for the USA team. Aloha and good shooting.
