

The 1966 Canoe Racing Committee has been named with Mark Buck, Chairman, to be assisted by Albert Lemes, Coach, Jerry Ober, Bob Johnson, Doug Kilpatrick, Cynthia Harbin and a junior member whose name will be announced.

The committee held their first meeting on the 23rd of March. A program is under way to repair and replace equipment. The Kawkena has been sent to the shop for a complete overhaul and Leilani will have a complete refinishing inside and out. Letters will soon be sent to high school students in Hawaii and college students on the mainland to gain their interest for the summer program.

Look for an exciting and active canoe paddling season this year with Outrigger, stronger than ever.
