

OUTRIGGER CANOE RACING SEASON RETURNS

Once again the young set at the Club are training to bring the Club new honors in the annual summer racing season. There seems to be an even larger turnout this year than last and the competition for seats will really be sharp.

The races for the season have been set and all members who are interested in the Club's namesake sport should plan

to attend one or all of these regattas.

The first race this year is June 14th, at Kailua Beach Park; the second at Pokai Bay, June 21st; the next, our own race, the Macfarlane Day Classic, held July 4th at Waikiki, followed by the Oahu Championships, July 19th, at Keehi Lagoon by the airport. The latest and most welcome news for paddlers is the selection of Hanalei Bay on Kauai for the State Championship races, August 1st.
