

Berg, Kaaua Named Coaches

Winter is also the time of planning for the spring and summer, and with that in mind, selections have been made for the coaches of our Club's two most important athletic sports: volleyball and canoe paddling. Dennis Berg will return again this year as head coach of the volleyball teams. Dennis will be assisted by Dave Shoji

and Randy Shaw. Ron Sorrell will coach the Masters team. Schedules of training and games will be announced by Dennis closer to the start of the season.

The Canoe Racing Committee has named Archie Kaaua to be head coach for the season, beginning with the Koko Palms to Nawiliwili Harbor Race this spring, and ending with the Molokai Race in October. Archie will soon announce his program and his selection of assistant coaches. The Club's current favorite canoe, the **Kakina**, has been taken to George Perry's shop for some needed refurbishing and will be in excellent racing condition by the start of the racing season in June.
