

Club Day Canoe Regatta to launch 1978 Canoe Racing Season

From the Canoe Racing Committee, Jeff Kissel, Chairman

Your Canoe Racing Committee is proud to present the first Club Day Canoe Regatta as a kick-off event for the 1978 Canoe Racing Season. The Regatta will start at noon on Saturday, May 27th and will be held right off our own Outrigger Beach at Diamond Head.

Participation in the Regatta is open to all club members. In addition to the regular events there will be a group of very special events, which will include Makule Races for those men and women who will admit to being forty or older.

Any athletic group (volleyball, baseball, etc.) is welcome to field a team for the Team Challenge Races (paddlers in the team Challenge Races may not be on this years paddling roster). Our officers and directors are invited to race against their committee chairmen and committee members.

To end the Regatta, a special race will be run as a tribute to those two great staples of the Hau Terrace, Jose

Cuervo's Tequilla and Anheuser Busch's Budweiser! It will be called the "Tequilla Scramble". Rules for the race will be fully disclosed later, but be assured that adult participants will be enjoying liberal quantities of both libations.

After the Regatta, the fun starts on the Terrace with the first steak barbecue of the season. Music and dancing by Saturday Night Fever with sounds that haven't been heard at the Club since our State Championship Party.

As usual, all of our members and guests are not only welcome but encouraged to attend. The Main Dining Room will be closed for the evening and a light dinner will be served at the Snack Bar in addition to the steak. Not only is everyone welcome to race, but they are even more welcome at the party, before, during and after.

Any Crew may race provided they sign up at the front desk by Sunday, May 21.
