Outrigger Crews win big at Kam Day Regatta

by Jerry Ober

Coach Nat Norfleet's Outrigger racing crews went to Kailua Beach on Kamehameha Day determined to start the new regatta season with a win, and win they did. Final point standings: Outrigger, 58; Hui Nalu 55; Kailua, 43. Seven other clubs competed.

For our Club, it was the women and junior crews who piled up the most impressive scores. Winning Outrigger crews were: Women's Novice "B"; Women's Novice "A"; Junior Women; Women Masters; Senior Women; Boys 12 "B"; Boys 12 "A"; and Boys 13. Other Outrigger crews contributing worthwhile points were: Men Novice "B"; Men Novice "A"; Boys 14; Girls 17; Boys 18; Women Freshmen; Women Sophomore; Men Sophomore; Men Open Four; Men Junior; Men Masters and Senior Men. Most of the races were very close and some of our third place winners were really crowding the winners in their events.

Notable among Outrigger victories were those of the Women Masters (women 35 and over), who finished way out in front in their 1/4-mile event and the Senior Women, who held on to their no-loss record in a photo finish.

Coach Norfleet reports that our Senior Men, who have recently dominated their events, are rebuilding after losing 5 of their key men from last year's winning crew. "They're developing fast and will be winners again, hopefully this season", he opines.

All-in-all, Kam Day was a big day for Outrigger, and a most promising start for the 1978 regatta season.
