

Start of a Great Year

By Kelly Hutchinson

It's time to break out the paddles and head for the water. Paddling season is under way and could use all the support help possible. Last year was great, but this year is going to be even better. With Henry Ayau as head coach, Bruce Ames as the chairman and Walter Guild as an assistant head coach, we'll have a very good season. This year each crew will have its own coach. All of the coaches and committee members are organized and ready to go.

Regatta season races will be posted. This year we would like more people participating in organizing events, lei making, setting up and cleaning up at the regattas. We have lots of outstanding paddlers here in the Club so **go for the gold.**

With a successful regatta season we'll build strong Long Distance crews.

Henry Ayau is full of Hawaiian spirit and is very enthusiastic about being head coach. Here's to a great season.
