

# Paddling—'The Heat is On'

By Kris Smith

The 1985 paddling season got off to a rousing start on May 18 with the 3rd annual Ala Wai Scrimmage.

Members of Outrigger's crews met at the club at 7:45 a.m. to receive their official 1985 paddling shirts. This year the Canoe Racing Committee chose a bowling shirt which proclaims, "The Heat Is On."

The group picture followed and individual crews then regrouped as paddlers headed for the Ala Wai.

Our competition was the Lokahi Canoe Club and the racing season began at 10 a.m. The day was filled with many close and exciting races, but by the end of the day, Outrigger crews had managed to collect the coveted trophy.

Special thanks to Henry Ayau for providing iced watermelons and Simple Green for providing entertainment throughout the day.

Monte Costa

Members of the 1985 OCC paddling team gather on the beach in new paddling shirts.

Lokahi's Head Coach Mike Cushnie and OCC Head Coach Henry Ayau chat between races.

Canoe Racing Chairman Darcy Ames proudly displays the new and very clever trophy designed and built by Lokahi and presented to OCC for winning this year's scrimmage.

## MASERATI BITURBO

**PURE EXCITEMENT** **\$26,683\***

MASERATI . . . legendary race cars, exotic road cars, exclusive sport sedans. Traditionally aristocratic. For those who enjoy life's finer pleasures, try today's Maserati, the 5-seat Biturbo Sport Sedan. An exotic car designed for even your most mundane driving. And it's 24-month, 24,000 mile limited warranty assures its day to day practicality. Concludes MOTOR TREND: "It's about to become the King . . ." all of which may be expected of a Maserati. What's not expected is the greatest enticement yet . . . the price.
