

FOR SUNFISH SAILORS AND SURFERS

Weekend Sunfish relay races have drawn considerable interest at the OCC beach. As an added bonus during a recent race winners were presented with leis by Mrs. Gordon May.

This popular sport is attracting more and more members daily. Quite a few of the club's younger set have already qualified to take these boats out.

Surfers skilled in riding the big waves are being urged to enter the Makaha Surfing Championships coming up in December. Entry blanks are available at the front desk.
