

## Anderson Top Hobie-Catter

With two regattas yet to go before the State Championships, Leith Anderson has captured the 1972 Hobie Cat Class Association season's point championship. The championship is determined by each sailor's performance in nine races throughout the year. Leith has hung up an impressive record of nine first places. Larry MacArthur of Kailua is in second place and Mike Holmes is making a bid for third but will have to sail well in the final races of the season to make it.

The Association has announced that Hawaii will qualify seven sailors to compete in the National Championships to be held in Texas during October. It is assumed that three will be selected on the basis of season's points standings, the remaining spots being determined by results of the State Championships at Kaneohe Bay in August.
