

# Hobie Cat 14 National Championships slated for October 13-17, '72

Surfside, Texas will host the Hobie Cat 14 National Championships in mid-October with Hawaii qualifying seven entrants, at least three of whom will probably be from the Outrigger Canoe Club.

This announcement and the favorable prediction for our Club entrants is made by our Sailing Committee in the wake of the Kailua Regatta of August 6th. In this meet, Geoff McNeil of the Elks Club took first place while our own Mike Holmes and Leith Anderson came in second and third respectively.

As noted in the August issue of The Outrigger, Leith Anderson leads in seasons points totals (up to mid-August), with Larry MacArthur of Kailua second; Mike Holmes third; Keith Baxter of Kailua fourth and OCC's Karl Heyer fifth. Results of the upcoming (as of August 15) State Championships must be included in the final seasons points totals, so final standings are still undetermined, but Outrigger Club sailors are hopefully expected to take four of the top five places in the big event.
