

# Tennis Highlights

By Phil Whitney

Tennis activities this fall continue the trend of the summer with one tournament a month. As many of you are aware, we had a fine match with Waialae in August and a men's/women's Outrigger intramural singles and doubles match in September. Then in October we had a big turnout for a Club mixed doubles tournament at Diamond Head. In November we hope to have a match with another club—perhaps Hawaii Kai, or maybe an Outrigger version of a Riggs-King extravaganza! To join in these matches please watch the Activities Board in the lobby and the tennis portion of the Athletic Board next to the Beach Shop—then sign up early.

The Tennis Committee enjoyed talking to many of you last month in connection with our mixed doubles tournament. Your enthusiasm will renew our efforts to make tennis a more enjoyable sport for all Club members. We found that many of you are interested in a Tahiti trip and we hope there is sufficient Club support in other sports to make the trip possible. More on this at a later date.

Many of you have seen the sketches of the proposed addition to the parking area at the entrance to the Club. It is our understanding that members will be asked to express their thoughts on this addition to the Club. Of added interest to tennis players are the plans for either two tennis courts or one tennis and three paddle tennis courts. We hope that if you share our feeling

that two tennis courts is the way to go, you will express your wishes to the Board of Directors. As details unfold we will pass on any information we have and of course welcome your comments and suggestions. For further information on this subject contact Phil Whitney—941-3727, or Jon Haig—946-0481, or any member of the Tennis Committee.

Sign up early, as entries close November 13, on the Athletic Board. Balls, refreshments, lunch, and a day of fun tennis are included for the \$3 entry fee.
