

Start Sailing in '75!

By Harold Hutchings

The Sailing Committee for 1975, headed by Commodore Harold Hutchings, Vice Commodore Gordon Bradley, and Rear Commodore Howard Schirmer has charted a course aimed at getting more OCC members interested in active participation in the sport. We'd like to put sailing alongside surfing, volleyball and canoe racing as one of the prime athletic endeavors of the Club.

Our aims for 1975:

- I. Novice Instruction: Two Novice Instructional Clinics. Saturday sailing advisors for those interested in additional practice training leading toward check-out qualification.
- II. Three Intra-Club Regattas for Scorpions and Hobies. Club Championship Regatta.
- III. Club Team Racing Program.
- IV. Youth Involvement through Regattas, Team Racing and Junior Programs.
