Club Hosts "Hawkeye" In TransPac Race

by Marillyn Thompson

For a few early-rising sailing enthusiasts, the view from Diamond Head of "Hawkeye" crossing the finish line at 5:30 A.M. on July 16th was a real thrill. The greeters, including Sailing Committee members, Club President Wakey Mist, and many others, proceeded to TransPac Row at the Ala Wai Yacht Harbor where the Club provided champagne, beer, Mai Tai punch and plates of sandwiches for the exhausted mariners. Each crew member and wife or girlfriend received a colorful headband of ferns and flowers.

Two days later, on Friday night, the Club hosted a cocktail party for the crew. The Skipper and crew were introduced by Fred Hemmings, and each received a lei. After the cocktail party many adjourned to the dining room to continue the evening's festivities.

Summer Sailing Draws to a Close

We thank those who have actively participated in our Saturday Sailing Clinics for your interest and hope to make the clinics bigger and better next year.

August 16 and 23 will be the last two Saturdays to take advantage of the sailing advisors from 9:00 A.M.-1:00. Don't miss them.

Don't forget . . . Club Championships on September 6th

The Sailing Committee's last big event of the year will be the Club Championships on September 6. Skipper's meeting will be on the beach at 10:00 A.M. All you Hobie and Scorpion skippers, let's see you turn out for this highlight of the Club sailing agenda.
