Multihull Regatta is Great Success

The second annual multihull invitational class boat regatta was held on Sunday, March 11 at the Club beach. It was a great success; seven OCC members received awards. Complete results are listed below.

Light and variable Kona to SW winds and choppy seas made high-tech navigational extrapolations necessary. The first race required an hour and a half to complete due to a long course and vari-

able light breezes. The second and third races were shortened accordingly, with a fabulous beach finish. It was such a great race that the protest committee had no protests!

OCC camaraderie around hot dogs and beer was the finale to another successful Club regatta, planned and executed by our new sailing commodore, Michael Apodaca.
