

Thomas Reiner Honored by Memorial Classboat Regatta

Light-to-moderate easterly breezes prevailed for the 1984 Outrigger Canoe Club HYRA (Hawaii Yacht Racing Association) Classboat Invitational Regatta held on October 14 off Malamalama Bay in front of the Club.

The many classboat skippers complimented Commodore Mike Apodaca, Vice-Commodore Gray Woolaway, and race director Dr. Clair Folsome on a smoothly conducted race.

Commodore Apodaca hand-made the unique perpetual trophy commemorating this race for the first time, to the memory of Thomas A. Reiner, Jr. The Waikiki Yacht Club won the trophy with strong showings in Laser, J24 and Cal 20 classes. Roy Kesner, OCC Vice-president, and Sharon Reiner, widow of Tom Reiner presented

the trophy to a representative of the winning club in post-race ceremonies. Beer & hot dogs were enjoyed by over 100 yachting guests on our Hau Terrace.

Cy Gillette chaired the protest committee. The race committee boat, 'Doc' William Rice's Grandbanks *Waikiki*, of the Waikiki Yacht Club, crewed by Mike Simpson, provided an experienced and able foundation for the event, which has become one of the major annual regattas in the Hawaii Yacht Racing Schedule.

Acknowledgements to the Sailing Committee for a huge undertaking: Gray Woolaway and Gerry DeBenedetti handled shore communications and results; Di Guild, photography and T-shirts; Mike Apodaca, trophy and sea command; Clair Folsome, race director and chair of the day; Grant Senner and Matt Haley, gophers; Wayne Faulkner, ocean set-ups and transportation; the OCC kitchen crew. And a special thank you to Domie Gose and Paul Hanh Nguyen for the special skill work on the Outrigger Cup.
