

# Ocean Triathlon

*By Ian Emberson*

Patterned after Ocean Ironman events in South Africa and Australia, the 2nd annual OCC Ocean Triathlon will be held on Sunday, March 17, St. Patrick's Day.

The trio of events will be a 1-mile swim, 2-mile paddleboard and 4-mile kayak, to be performed consecutively. Each member of a 3-person relay team will perform only one of the events. Contestants must provide their own kayaks.

The triathlon is open to all, and entry forms will be available at the front desk at the end of February. Registration on the morning of the triathlon will be at 8 a.m. on the Hau Terrace. The event will begin at 10 a.m. on Sans Souci Beach.

Sandwiches and refreshments will be served on the Terrace following the triathlon, and awards for 1st, 2nd and 3rd places will be given to men and women.
