Paki Vaughan Takes MVP Honors

The OCC Softball team wrapped up its 1994 season with a third place finish in Leahi League action. Fourteen OCC players batted more than .300. Bill Kilcoyne led the team in batting for the fourth consecutive year. Paki Vaughan, however, denied Kilcoyne of taking his third straight Most Valuable Player award by winning for the first time.

Paki, the team's leadoff hitter, batted more than .500 and led the team in plate appearances, runs and hits. He prevented the team from forfeiting two games when he played first base with a broken hand. Paki's inspiration and leadership on the field were invaluable.

His name will be added with the past seven OCC Softball MVPs on a new softball plaque that will be added to the OCC Trophy Case in the Main Lobby.

Look for exciting things to happen in 1995 for OCC softball. There is a great interest in starting a coed team. There will be two or three coed tournaments involving canoe clubs, summer league action, and perhaps a neighbor island tournament next fall.

Special thanks go out to Assistant Coach Kilcoyne for his great leadership qualities, and to John Kiner, Keith Letman and Pokii Vaughan who always made sure the post-game BBQ was as much fun as the game. ☺
