

Club Captain's Corner

By Kalani Schrader

May is shaping up to be a busy month for OCC athletes. The canoe racing season is getting started with two pre-season long distance races. On Saturday, May 10, Hui Nalu is sponsoring the Kala Kukea Ironman race starting at Maunaloa Bay Beach Park. . . And then on the following Saturday, May 17, Lanikai will be sponsoring the second annual George Perry Memorial Keiki race held at Kailua Beach Park. Last year, OCC Jr. Rigger crews brought home two firsts and a second place finish. . . Coaches and crews get ready! . . The men's volleyball program will be working hard to qualify for this year's USVBA national championship tournament which will be held in Kansas City from May 24-31. Good luck. . . And don't forget the OCC sponsored Open Ocean Invitational Swim scheduled for Saturday, May 10. . . Good luck to all OCC participating athletes and supporters who make these events a success. Ø
