

MEET YOUR CENTENNIAL REGATTA SEASON CANOE RACING SUBCOMMITTEE AND COACHES

Head Coach Mike Mason

By Erika Eberhart

Every year seems to go by quicker than the prior year and here we are, with the Centennial Regatta Season upon us! Without your Canoe Racing Subcommittee working diligently both on and off-season, the necessary foundation to uphold another successful season would be absent.

Your 2008 Canoe Racing Subcommittee members are as follows: Chairperson Jenifer Bossert, Mike Mason, Alice Lunt, Sandra Simons, Ann Buck, Liz Perry, Wendy Wichman, Jared Watumull, Kehau Kali, David Fan, Kawika Grant, Julia Fiedler, Erika Eberhart, and Jim Beaton.

Building upon the foundation set by the Subcommittee, our committed, selfless coaching staff offers the required structure to our athletes to excel. These coaches dedicate their valuable personal time, often squeezing in their own training on the side, to ensure our paddlers are prepared to compete and win.
