

FAST BASKETBALL IS SERVED UP

THREE CLASSY GAMES AT ARMORY

The crowd was larger and the playing was of a higher order in the three games of basketball staged last night by the Oahu Amateur Basketball league at the National Guard armory.

The first game of the evening was the thriller. The National Guard team won by a score of 39 to 28 from the Pearl Harbor Athletic club but the score does not indicate how close the game was most of the time. When half-time whistle blew the Pearl Harbor men were leading by a score of 18 to 12 but the Guardsmen braced in the second half and came out on top. W. Clark of the winners was the star of the evening with nine baskets.

Third Game

The final game of the evening was between the All-around Chinese Athletic club and Fort Shafter and it ended in a victory for the A. C. A. outfit by a score of 38 to 19.

This game started out like a house a-fire. Both teams proved fast and the Fort Shafter outfit, which has been expected to be a little foot-heavy, surprised its opponents with its speed. For a time it looked like the A. C. A. were in for a trimming. But the soldiers could

not keep up the fast pace of the A. C. A. men.

Second Game

In the second game of the evening the Schofield officers triumphed over the Fort Kamehameha team. Every one of the members of the winning team were over six feet, or so it appeared to the losers and spectators.

Kamehameha scored all its points on fouls with one exception. The Schofield club looks mighty dangerous to the Outrigger Canoe club which meets it on Saturday night. The call has been issued for Outrigger team practise this afternoon at the armory.

FAST VOLLEYBALL IS PLAYED AT Y. W. C. A.

Some fast volleyball was staged at the Y. W. C. A. last night by the "Husbands and Wives" teams of the morning gymnasium class. The team captained by Mrs. Percy Morse, after being at the small end of a 10-0 score in the first game, came back, won the game and the match and finally the championship.

The lineups were as follows:

Mrs. J. L. Cockburn, Mr. and Mrs. Lindsay Watson, George Water-
