

# Big Scores Mark Basketball Sets In Local League

There was but one close game in all the three of the Oahu Amateur Basketball league staged last night in the National Guard armory. Wide scores appeared to have been the rule last night.

The Outrigger Canoe club swamp-ed the Pearl Harbor Athletic club by a score of 36 to 15. The surfers had the edge for three-quarters of the game with the sailors holding them even in the windup frame. Fred Biven was the star for the winners while Hazelrigg was the best man for the losers.

The Honolulu Amateur Athletic club landed like a ton of bricks on the Fort Kamehameha team and won by a score of 47 to 8. The victors ran the Kams ragged.

At Luke Field, the National Guard team registered a landslide and crashed the aviators to the tune of 33 to 2. The visitors had a stonewall defense but their shooting was wild.

In the only close game of the schedule the Schofield Service club won from the All-Around Chinese by a tally of 34 to 20. The A. C. A. team was fast but proved too light for the heavy outfit from the inland post. Danny Cohen was the star for the winners. The game was even for the first half.
