

Other Isles To Mix for Honors And Trip Here

Hilo and Maui basketball league have been asked to get together and arrange a championship series between them to decide which will get the honors and the trip to Honolulu to meet the Los Angeles Blues on March 3. That will make five games here for the visitors. Two will be with the championship winners, one with the next best and one with the best civilian team.

Three teams in the local league look like champions and are playing with perfect histories to date. These three are the Outriggers, National Guard and Schofield Service club

Scheduled for tonight are four fast matches. The teams in each case are well matched. The Schofield Officers are to play the Marines in the opener at the armory. In the second game the Honolulu Service club tackles Fort Shafter. In the third game the Pearl Harbor Sailors meet the All-Around Chinese. Luke Field plays at Fort De Russy.
